HOW TO DISCOVER THE CITY

Zurich is a lovely city - when you know where to go as the best places are usually tucked away in side streets. If you know where to look, Zurich has a vibrant and diverse fashion, design, food as well as locally produced arts and crafts scene.

A shop or cafe has to be local, special and appeal to my personal taste to make it onto this map.

June's Choice is a project of passion by VisualContext Digital GmbH and is supported by Hotel Greulich, Hotel Helmhaus, Hotel Helvetia, Hotel Rössli, Hotel Seehof, Anthrazit AG, Fischer AG Immobilienmanagement, Hinderling Volkart, Kreislauf 4+5, Tribeka.

KREIS 5

The west of Zurich is where you find most of the cool, hip and urban places. Josephstrasse in Kreis 5 is good place to start. It is a street off the beaten tracks lined with shops like Beige, Asandri or Einzigart. In summer the Geroldsgarten is worth a visit, it is the perfect place to chill out and right besides the iconic Freitag store.

KREIS 4

The Langstrasse leads from Kreis 4 to Kreis 5 into the former red light district of Zurich. Now you can find the exciting shops of Zurich such as Soeder, Fabrikat, Question or Berenik. Check out the side streets to find these shops.

KREIS 3

The region around Kalkbreite and Idaplatz is up and coming. It is a more residential area with intriguing places like Bebek, Making Little Things, Wowprops and Genovas. It is also a nice region for a quiet walk.

KREIS 1

The historical centre with its charming squares and cobbled streets is in Kreis 1. Turn from Bahnhofstrasse into Rennweg and continue to Lindenhof, then to St. Peterhofstatt square to see the old town. On the way, you can drop into Max Chocolatier for hand made chocolates and visit boutiques like Nook and Rumours. If you want to enjoy more of the historic old centre, cross the river into Niederdorf and find your way to the region of Neumarkt. This region houses many artisanal shops and lovely stores such as Zirkuss and Onoda.

Note that most independent shops are open from Wednesday to Saturday. Check out the website www.JunesChoice.ch to get all the opening hours.
